### **Ejection Policy**

**Note:** All ejections and corresponding punishments are at the final discretion of the Tournament Director! There are situations where the Director will increase or reduce the suspension for coaches, players, or fans, based on the circumstances

**Coaches** – if a coach is ejected from a game, they will not be allowed to coach the next game on the schedule for that particular team. This ejection will not apply to other teams the individual coaches unless the coach's behavior warrants complete removal from the event

**Players** – if a player is ejected from a game, they will not be allowed to play in the next game scheduled for that particular team

**Spectators and Parents** - If a spectator/parent is ejected from a game, they will not be allowed to return for the following game without the permission of the Tournament Director. In addition, their child will be removed as well and the team will be assessed a technical foul! The tournament director will make the final decision on when and if the parent and player can return!
